

We deliver to international standards and are members of AGN International.

AUDIT | TAX | OUTSOURCED SERVICES

About Us

We offer financial advice and consultancy to businesses and organisations looking to protect and grow their business by offering accurate and timely accounting, auditing and other professional services to international standards and at good value, through a friendly, accessible and involved team.

We provide a comprehensive range of business solutions and where expertise is not available in-house, we have partnered with carefully selected associates so as to make MGK Consulting a one-stop shop for financial advisory.

INTERNAL AUDIT AND RISK MANAGEMENT SERVICES

We help you nurture and grow your business

MGK CONSULTING

Celebrating 25 Years of Excellence

Our Internal Audit and Risk Management Services

We help you improve the efficiency and effectiveness of operations, improve internal controls, governance and reduce risk.

We work with clients to set up an internal audit function where none exists, build the capacity of an existing internal audit function through coaching, joint audits, and review or provide internal audit services on a fully outsourced basis.

In addition, we support our clients through tailored services in the following areas:

- Local regulatory compliance reviews
- Fraud risk assessment
- Internal controls reviews and assessments
- Information security risk assessments
- Policies and procedures development
- Information technology/Systems risk assessments and audits
- Policies and procedures review and development
- Governance audits
- Compliance audits
- Business enterprise risk management
- Awards/ Competition Assurance Audits
- Data protection reviews and audits

Why Choose us

Whether you are an individual or corporate client requiring help in registering a new business, setting up your accounting and control systems, handling your payroll or getting assurance services, MGK is your friendly expert.

Excellence

We uphold professionalism, integrity and adherence to international standards.

Client Focused

We strive to understand and meet client needs efficiently while availing a friendly service.

Trust

We do what is right for the client, always. Ethical conduct is the norm at MGK Consulting.
